Our Studio building is under way! We have land, we have a contractor, and we have a loan! Our goal is to have a place where all the arts can have a home. This will be a 4200 sq foot building located just north of Duval Mine Road on La Canada. It will have 2 large dance rooms, a choir room, a music room, a break room, and an office as well as a large waiting room where parents are welcome to watch their children. We hope to establish partnerships in order to also offer Martial Arts, Music, Art lessons, Choir, Musicals, exercise classes, and more. Sahuarita Dance Center will continue to offer all forms of dance: Ballet, Jazz, Modern, Tap, Hip Hop, and Ballroom. The potential for any and all classes will be great!.

This will be a wonderful gift to the community but cannot be done without community help. Everything comes with its price and our goal is to keep tuition AFFORDABLE so we need help! Our goal is to raise \$20,000.

Over 300 families a week will walk through these doors. By donating two hundred dollars your name can be engraved forever on a brick as a donor to the center. We also need help finding companies that want to advertize their businesses and families that want to have there names visible at our entrance.

We also will have a large plaque of donors posted at the entrance. If you can donate \$50 to \$100 you can have your name on the plaque.

Please help! If you would like to donate or know someone that would like to help you can get a form from your teacher, or donate online at our website at
